Re: Real-time Closed Captioning RFP Status Report

Dear Mr. Terreni:

The Office of Regulatory Staff is preparing a final draft of the request for proposals to provide real-time close captioning through Dual Party funding. This draft will be provided to Information Technology Management Office by October 15, 2006. In addition, ORS has requested feedback on real-time closed captioning practices from the commercial television stations in SC.

We will continue to update you on the progress of this project. Please contact me at 803-737-0814 with any questions.

Sincerely,

Dawn Hipp
